Important Debit Membership Information

1. Debit memberships require a minimum one year agreement. Your membership **will automatically roll over and continue after the first year until written cancellation has been received** by the fitness center director. You are responsible for updating your membership card for the upcoming year. There will be no break in your membership dues during this time. **NO REFUNDS.**
2. Debit memberships will not be placed on hold at any time. If you need to suspend your membership you will have to cancel and rejoin at a later time.
3. The monthly automatic deductions are withdrawn from your personal checking or savings account on the first of the month, not from your paycheck.
4. If you are contacted (or an attempt has been made to reach you) due to three account problems in a row your membership will be terminated at that time. You will be required to pay a \$10 service charge for each month in addition to the monthly debit fee if it was not able to be deducted.
5. All debit cancellations require a cancellation form to be completed and returned to the staff. This form must be received by the 20th of the month to be effective the following month. A \$40 cancellation fee will be charged to the member if the membership is canceled before the minimum year agreement. **NO CANCELLATION FORM RECEIVED, NO CANCELLATION.**

I have read the above information and understand the debit membership and its regulations in which I am registering for.
